Gentlemen

Our June 12 1992 transmittal letter(92 DOE 6314) for the revised document entitled 'Final Interim Measure/Interim Remedial Action French Drain Performance Monitoring Plan Rocky Flats Plant, 881 Hillside Area, (Operable Unit 1) dated June 1992 contained information that was incorrect. The letter incorrectly stated that the additional wells under this monitoring effort are expected to be completed by the end of June 1992. The correct date is the end of July 1992.

If you have any questions please contact Scott Grace of my staff at 966 7199
